ABOUT US

Artisan Panels Inc. is a design and manufacturing firm established in 2010, specializing in the creation of decorative perforated panels used to enhance exterior and interior spaces. Our panels give meaning to the term “form and function,” as they provide customers with decorative beauty while also serving practical purposes.

Artisan Panels can be used in both residential and commercial spaces, tailor-made to client specifications, and shipped worldwide.

PATTERN: 169 - Coastal Breeze

PATTERN: 13 - Star Panel

PATTERN: 129 - Thatch

PATTERN: 104 - Gears

PATTERNS

Each Artisan Panels pattern is unique and designed to aesthetically enhance any space it occupies. The patterns, created by our team of designers, can be used indoors or outdoors in either residential or commercial spaces.
