Architectural & Decorative Panels
Unique Artistic Panels

Artisan Panels Inc. is a design & manufacturing firm specializing in the creation of decorative perforated panels used to enhance exterior and interior spaces. Our panels give meaning to the term “form and function”, as they provide customers with decorative beauty while also serving practical purposes. Artisan Panels can be used in both residential and commercial spaces, tailor-made to client specifications, and shipped worldwide.
Enclosed you will find a sampling of our hundreds of patterns which are available in geometric, abstract, natural and cultural themes, or we can work with you to create something tailor-made to your specifications.
Artisan Panels can be made from various materials including aluminum, steel, corten steel, wood, composites, and more.
